

IDEA

ART CONSULTING

ART CONSULTING

IDEA is a turn-key art consulting firm.

We offer years of expertise in design and implementation of world-class art programs. IDEA works closely with vendors, from creative artists to printers to art installers, to ensure that all of our projects are completed in a timely and exacting manner. Our goal is to provide you with stunning art solutions that integrate and complement the built environment.

ARCHITECTURAL INTEGRATION

Founded by a registered Architect and a licensed Interior Designer, IDEA provides architectural design integration. We design to your vision and collaborate with our clients to make your spaces stand out.

IDEA's project team is made up of designers and artists who have vast experience in art consulting, design, framing, and fine art. Together we listen to your ideas, envision your concepts, and bring your goals to fruition. IDEA nurtures every project from inspiration to installation.
